ANNUAL REPORT

2012

STATE OF POLICE SERVICE

In 2012 the Rock Falls Police Department responded to 16,739 "calls for service", of those, 266 were motor vehicle accidents. The department received a total of 4,218 "E911" calls.

In comparison in 2011 the "calls for service" totaled 16,573; of those, 299 were motor vehicles accidents. The department received a total of 3,763 "E911" calls.

With the patrol section of the department at 90% staffed overtime was down some areas. Court overtime was up but we have no control in the scheduling. The Telecommunication section is at 100% staffed and the overtime has decreased substantially

In Patrol one officer who was injured in a fight in 2010 is still out on disability.

We continue to stress the need for continuous training. The year 2012 was 296 hrs short compared to 2011 in training hours. In 2009 we were able to attend over 1600 hours of training. In 2010 this dropped over 450 hours to 1160 hours. In 2011 were able to regain over 100 hours to bring the training back up to 1260 hours. This is still over 400 hours below our training from the year 2009.

With the continuing change of laws, urban and rural crimes the department needs to stay up on all the possible training the officers and telecommunicators can obtain. This will result in an increase in the training budget because more classes are being held farther away and require hotels, meals and registration fees.

This is a major concern within the department. I believe we can continue to provide the services the citizens of Rock Falls expect and deserve.

One Sworn Officer is on Light Duty pending a Disability Hearing.

With the increase in drug activity and violent crimes we began to see in the summer of 2012 we temporarily assigned one patrolman to the detective section to work on the drug activity. He was also able to assist in the handling of the other crimes referred to the detective section when he was on down time.

On January 2nd 2013 the department hired an officer to replace an officer who will be leaving the department for a Sheriff's officer position in the spring. The department will also be experiencing the retirement of a Sergeant in the late fall and one possibly two promotions.

The majority of the investigations by the Detectives results in obtaining warrants. Those warrants lead to the arrests of the suspects by other officers, agencies and states. These are not reported back to our department so the arrests stats are always low for the detectives.
