Mayor and City Council
City of Rock Falls
603 W. 10th st
Rock Falls, Il 61071

Dear Mayor and City Council,

I am pleased to present you with the 2015 Rock Falls Police Department annual report. The information provided Contains an overview of the staff accomplishments as well as a variety of statistical data to inform you, the Mayor, City Council, and our community.

A number of highlights occurred in 2015 that demonstrate the Police Departments continual efforts striving for improvement. With the addition of four new Officers in 2015 along with four promotions, and a new Dog handler, Rock Falls Police Department has went through some change. Our Department is young but ambitious, and always striving to better serve the community.

We have implemented many "train the trainer" classes to certify our own Officers in different capacities, to train our Officers in-house, and cut down on training costs across the board. We have implemented MDC's in all the marked squad cars and this tool has greatly improved Officer safety, communication with surrounding agencies, and Officer initiated activity. We have also trained a new handler for our K-9 Nero. , and have placed him on a 4p-4a power shift to best utilize Nero's amazing ability to find drugs. In 2015, we also implemented random walk through of all our local schools. This is a continuing effort to better protect our local schools and deter any possible threat against school children.

As an agency we are pleased with the feedback from our citizens on the quality of our service. We are proud of our state of readiness for any emergency that arises. Our commitment is constant and ever present. We consider the Rock Falls Police Department an integral partner with you in making the City of Rock Falls such a safe and desirable place to live and work.

Sincerely,

Tammy J. Nelson
Chief Of Police

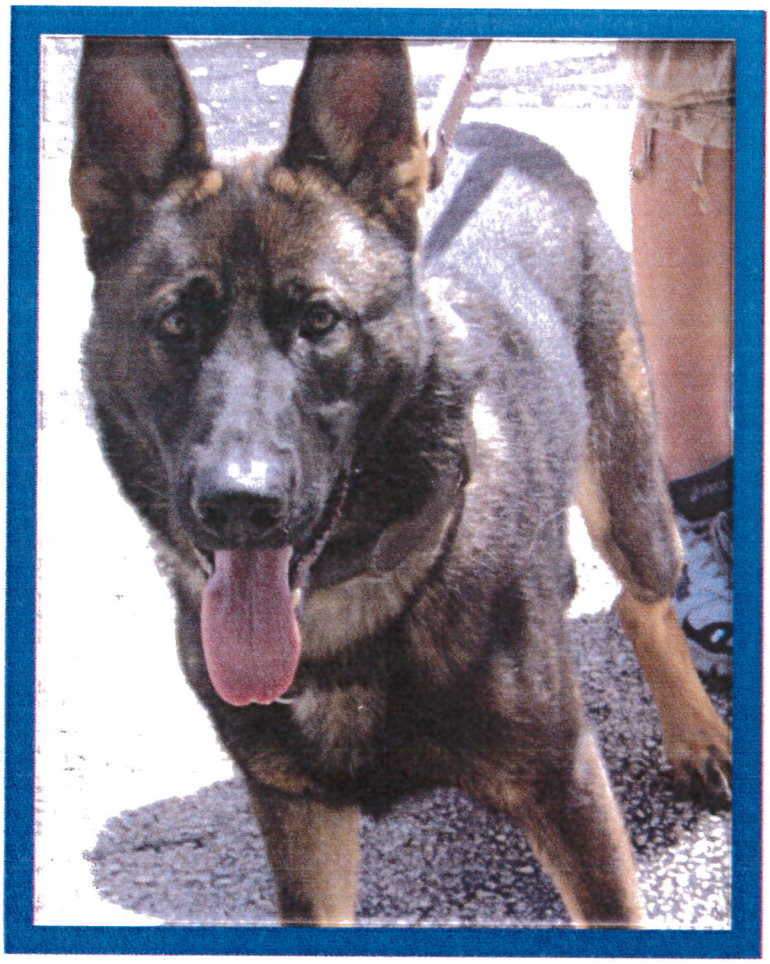
K-9 Nero

Activity Report for 2015



K-9 Unit

The Rock Falls Police Department utilizes a canine that is fully trained in search, apprehension, officer protection, and

narcotic detection. Our K-9's name is NERO, and his handler is Officer Scott Allspaugh. They have been partners since 2015, and they spend a great deal of time training to maintain maximum level of efficiency as a team. Along with their patrol duties, Nero and Ofc. Allspaugh provide K-9 Demonstrations and education to Community groups, Schools, daycares, city festivities, and other organizations as time would provide in their busy schedules. Officer Allspaugh recently took the K-9 detail that was once assigned to Sgt. Jeremy Vondra. Sgt. Vondra and Nero worked together for five years.

ROCK FALLS POLICE DEPT.
K-9 YEAR END REPORT
2015

In October of 2015, Nero and I began patrolling together as the Rock Falls Police Department K-9 Team. From October through the end of the year, Nero was called upon a total of 26 times, with several of these deployments being assists for other nearby police agencies. In total, Nero was called upon for 22 free air sniffs of vehicles, 1 track of an armed suspect, 1 track of a missing suicidal subject, and 2 school searches.

The calls that Nero assisted with resulted in 10 arrests. Among the items seized in these arrests were approximately 102g of cannabis (36.7g of this being a THC "wax" substance), and 2.3g of cocaine. 5 items of paraphernalia relating to the use of cannabis were also seized.

I am greatly looking forward to improving our skills and abilities over the upcoming year. I have very high expectations for Nero and myself, and I am very confident that we will meet and exceed these expectations.

SPECIALIZED TRAINING

ALICE TRAINING — A PROACTIVE RESPONSE TO A MAN MADE THREAT

Due to State budget restrictions and cuts, Rock Falls Police Department frequently sends Officers too training that is a "train the trainer" type training which allows this Officer to share the training with the entire Department and other Departments, schools, or organizations.

The ALICE training was one such example. Sergeant David Pilgrim was sent to this training and is now a certified instructor to apply the training to Officers and School officials. The ALICE program stands for Alert, Lockdown, Inform, Counter, and Evacuate. The purpose is to prepare individuals to handle the threat of an active Shooter and to participate in their own survival, while leading others to safety. Though no one can guarantee success in this type situation, this new set of skills will greatly increase the odds of survival should anyone face this form of disaster.

Sergeant Pilgrim has begun implementing this program in Rock Falls local schools and Rock Falls City Offices.

L O.C.K.U.P. TRAINING — ARREST AND CONTROL MANEUVERS AND DE-ESCALATION

Detective Chad Hermes was sent to LOCKUP training and was given the skills to train our Officers on the valuable techniques he learned. The LOCKUP program teaches arrest and control maneuvers for all levels of physical resistance and aggression. With a primary focus on techniques for UNARMED police combat. The result is that police personnel can better protect themselves and the public they are sworn to serve.

TRAINING
SCHOOL DETAIL/DRILLS

The Rock Falls Police Department has implemented a new SCHOOL DETAIL Program, in an ongoing effort to keep our schools safe. The program consists of daytime school visits to all of the local schools periodically throughout any given week. Rock Falls Officers are required to spend at least 20 minutes a week in a school, and will visit every school before repeating. This detail is department wide, which means not only the Sergeants and Patrolman, but all investigators, Commanders, dispatchers, and the Chief will participate in this detail. We implemented the program a year ago and the success of this program is already evident. Not only are the Officers and dispatchers familiarizing themselves with the inner and outer areas of the schools, they are also getting to know the staff better. On any given week, there is an average of nine officers in the schools a week. The checks are meant to be random, so don't be surprised if you see Officers walking in and around the schools at any given time.

In addition to this detail, the Rock Falls Police Department participates with each school for "Lockdown drills". These drills consist of the school calling a "Code Red", and the school practicing their lockdown procedures with Police Personnel present. Rock Falls Police also have two training sessions a year, dealing with active shooter training.

The Rock Falls Police Department takes the safety of our schools and children very seriously. We would like to thank the following schools for making this program a success – **Merrill, Dillon, East Coloma, Thome, St.Andrews, Montmorency, RF middle school, and RF High School.**

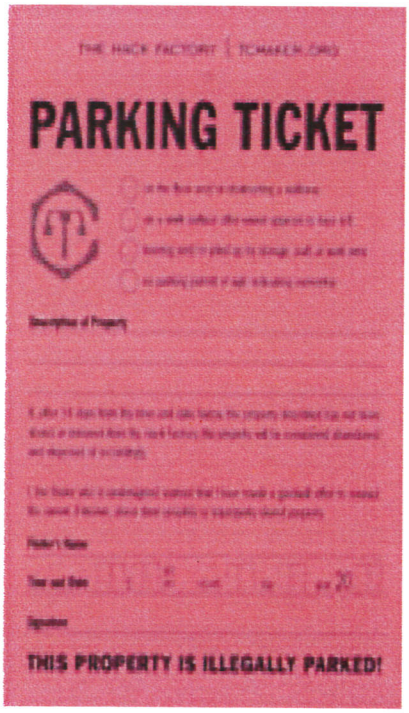
City Citations and Fines/MSI

2015 report



ADMINISTRATIVE HEARING/ORDINANCE

The City of Rock Falls has adopted an Administrative Adjudication Process as an alternative to Circuit Court. This process allows appeal of a wide range of municipal Ordinance complaints. All hearings are held at the Rock Falls City council chambers, on the third Tuesday of every month starting at 8am. They are intended to expedite resolutions, reduce litigation expenses, and allow the Circuit Court to focus on more serious allegations.

An Administrative Hearing is a civil (not a criminal) proceeding. Persons found liable through an adjudication process may only be fined and /or ordered to comply with the City Code. Under the Administrative Hearing system an Administrative Hearing Officer determines if ordinance citations are valid. The following list contains the types of cases that may be heard in an Administrative Adjudication Process:

Parking Tickets

Curfew Violations

Nuisance Violations

Alcohol and Tobacco Violations

Property Maintenance Violations

Building Code Violations

Fire Code Violations

Zoning Code Violations

Applicable Misdemeanor and Petty State Offenses

Other Municipal Code Violations

The next two pages reflect the fine numbers and violations.

ROCK FALLS POLICE DEPARTMENT

YEAR END REPORT

In 2015 the Rock Falls Police Department responded to 21,019 "calls for service", of those, 308 were motor vehicle accidents. The Department also received 4,082 Emergency 911 calls.

In comparison in 2014 the "calls for service" totaled 19,447, of those, 281 were motor vehicle accidents. In 2014 the department received a total of 4,954 emergency 911 calls.

We are currently down one patrol officer and will hire a new recruit in March of 2016. He will hopefully be trained and on his own by late August 2016.

Training was down this year because of the State's budget crisis, which resulted in the Mobile Training Unit not being able to offer classes as their budget was severely restricted. We hope to enter the new year with more ongoing training.

The future outlook is to aggressively pursue the drug problem within our city and we have taken several proactive steps to counter the problem. With a rise in Heroin overdoses we are currently looking into proactive programs such as "Safe Passage Initiative", which gives local Heroin addicts the tools for getting recovery help. This program is up and running in Lee County and we are working on plans to hopefully get it up and running in Whiteside County. We also are taking more aggressive approaches to going after those selling this highly addictive drug.

We continue to utilize our Police Department Facebook page. This interaction with the public has brought a lot of positive feedback as we continually look at ways to better connect with the public we serve.

SPECIAL EVENTS

1 PACT CAMP: POLICE AND CHILDREN TOGETHER

In August 2015, in partnership with the YMCA, Rock Falls Police put on their annual Police and Children camp. The program targets underprivileged, low income housing children from the ages of 9-12, and we spent the first week of August doing all different types of field trips and activities. The purpose of the camp is to forge a stronger base of trust, and bond with these children and Police. Many Officers of the Department participate in the program and this year those Officers were: **Sgt. Mark Davis (organizer), Det. Chad Hermes, Chief Tammy Nelson, Ofc. Betony Kilberg, and Sec. Joy Colberg. Sgt. Jeremy Vondra helped out with a wonderful K-9 demonstration.** This years activities were Magic waters water park, Bowling, Fishing, Boating, swimming, YMCA activities, Niabi Zoo, golfing, and much more.

SPECIAL EVENTS

2. HALLOWEEN- 2015

THIS HALLOWEEN WE HAD OVER 300 KIDS COME TO THE POLICE DEPARTMENT TO GET BEANIE BABIES AND CANDY.

SPECIAL EVENTS

1. BIG BROTHERS/BIG SISTERS PROGRAM

In September of 2015, nine Officers of the Rock Falls Police Department, participated in the Big Brothers/Big Sisters training and are now actively meeting with their appointed "little". Most Officers meet with their "little" (child), once a week for lunch. The program is both rewarding to the child and the Officer. Rock Falls Police Department strives to give back to the Community at large, and forge stronger relationships with the youth.

The following Officers have given their free time to participate in this program:

Chief Tammy Nelson

Sergeant Veronica Jaramillo

Detective Chad Hermes

Officer Betony Kilberg

Officer Matt McKanna

Officer Ryan McKanna

Officer Elise Dusek

Officer Soliel Signer

Secretary Joy Colberg

TELECOMMUNICATORS

L-R CSO Amy Stoeckel, Jen Hendricks, Secretary/Records Joy Colberg, Pam Henderson. Back row Kari Anderson, Katie Pilgrim, Autumn Day, Jasmin McKenna.

Rock Falls Police Department employ's six dispatchers, one Community Service Officer, and one part-time Records clerk. They handle over 20,000 calls for service a year, along with all administration calls, 911 calls, after hours call outs, and a vast array of other duties, not the least of which is keeping their Officers safe.

The life of a Dispatcher can best be described as the "life line" for the Officers in the field, especially when situations go bad. Rock Falls Dispatchers are trained to work under highly stressful situations and to keep a professional, calm demeanor despite the circumstances.
